

Sponsorship Packages

Thank you for your interest in supporting HOPE

At HOPE South Yorkshire Trauma Support we support people and families traumatised by road traffic collisions, fires and drowning. We provide free, compassionate peer-support groups, children's activities, and road-safety education across South Yorkshire.

By becoming a Sponsorship partner, you directly help people to rebuild their lives after trauma. You'll help HOPE provide vital traumatic bereavement support, including one-to-one sessions and group activities. Your contribution will help families navigate unimaginable grief and begin their journey toward healing.

"This tree of HOPE stands tall and proud
With love and grace we shout aloud
WE will always miss you;
but here we will see
Our love grow with our HOPE tree"

Proven Track Record

ESTABLISHED 2006

We have a 20 year track record of providing **free** and **unlimited** support to people bereaved or affected by traumatic events such as road traffic collisions, fires, drowning or through the witnessing of a traumatic event.

This vital work wouldn't be possible without the generous support of our sponsors.

TESTIMONIALS

"It felt like I was falling down a dark tunnel, not being able to grab anything to stop, and HOPE was there as a safety net to catch me."

READING WITH OLIVER

The Reading with Oliver project provides a safe and happy environment with an emphasis on the child's emotional wellbeing. This is also a time for children to process and recover from their own grief.

"It makes such a difference when you are lost in life to find others who can relate to your experience and provide support".
